

Institutional Distinctiveness

2019-20

The college is established with the aim to promote the facility of higher education for rural students. The progress attained by the college in it is very important as concern the rural area. Many renowned and expert educationists contribute in the progress and development of the college and so the college could attain this progress. Session 2019-20, was an important milestone for the institution as it was the silver Jubilee year after the successful completion of 25years of its journey in imparting the education which stands on the pillar of discipline commitment and perfection, a legacy to be carried on by the student community. As we enter 25th year of our academic journey, institution plan to carry out various social, academic, cultural activities throughout the year. Co-curricular and extra-curricular activities organized by various committees facilitate the process of creative thinking. It gives inspiration as well as sustainable atmosphere to carve our path and strive harder in same pace of progress in years ahead, develops the self- confidence and reduces the fear among the students.

The college student represents the stage of youth, the stage is filled with new aims, dreams, desires and aspirations and the youth try to fly with these aspirations. At the same time the stage of youth is very sensitive and receptive. Imparting only intellectual education along with examination is not limit but should be developed versatile that is development of his personality and intellectuality. Keeping in mind, the college tries to impart the education and focused on the ideal development of the youth along with its rural background. Besides, education the college tries to impart the value education, skilled education, social education and cultural education to flourish his personality.

The college has its NSS Unit with the motto, "NOT ME BUT YOU". The NSS department runs various programs including vivid social and cultural activities to build social and cultural attitude in students. The guardian committee and student development committee of the college organizes the programs related to benefit the students. The Nature Club of the college organizes environment related programs to save our environment. The women cell organizes women empowerment programs and the employment cell conducts the employment development related activities. In this way the college tries truly to develop the students in versatile manners. Seeing these, the people having social attitudes and their attachment to the college has always appreciated our work and supported us financially.

The year 2019-20 is our Silver Jubilee year. Keeping in mind the same tradition of development, the college has decided to celebrate the Silver Jubilee year with new innovative and social activities through its various departments. In it primarily we helped society like way helped fire affected village namely Semadoh, Bhullori and Walgaon. The NSS unit implemented various social, environmental, educational activities such as distributed water in drought areas through water tank in Kurha, organized workshop on toxin free farming (Organic Farming), workshop on Eco friendly Ganesh idol making, rain water harvesting workshop, distribution of uniform and school stationary to Pardhi community students at village, Kalagota and distribution of winter jackets and blankets to the needy people of the area, distribution of sarees and clothes on the occasion of Deepavali to the mother of the students, organized Hemoglobin test camp for girl students and distribution of nutrition to raise their hemoglobin, distribution of bicycles to needy and hard- working students, Eye Checkup camp, Blood group test camp, dialogue with community program in the period of Corona pandemic along with the distribution of grains, sanitizers, masks and dettol soaps near about in 8 villages around. Women Cell organized Cancer diagnosis camp especially for women in nearby villages who neglect their health problem and not aware of their health issues.

The college also organized alumni association meeting in which alumni shared their memories and offered to support the college whenever necessary. The guardian committee of the college play important role and tries to solve the problems of the students at personal level. The guardian committee distributes the bicycle to the needy student. Besides, the college has installed solar plant to generate electricity. These are the special activities done by the college in its Silver Jubilee Year along with the regular activities. The college has done all these activities in keeping with its mission, vision and the tradition. The college is supported in these activities majorly by its teachers, non- teaching staff, students and especially our alumni. The college also got a reputation in the sports area. This year a total of 14 students are Color Coat Holder. College organized intercollegiate Weight-lifting Tournament and in this tournament 5 Boys and 2 Girl Students of college won Gold Medal.

The education is life long process. The women cell and other committees of the college have organized national and state level seminar and workshop. The number of teachers published their research papers in reputed and referred journals and their portion is included in SGB University syllabus. One of the faculties, Dr. Sunil B.
