

Procedures and policies for maintaining and utilizing physical, academic and support facilities:-

The College ensures the optimal allocation and utilization of the funds for maintenance of infrastructure and purchase of new equipment.

1) Procedures and policies for Purchase new equipment.

First of all proposals are sought from all the departments for the purchase of new equipment. The proposal for the same is submitted to the College. As per the provision of the budget the Purchase Committee of the College reviews the proposal, which is further approved by the Principal. The quotations are invited and the equipment is purchased from the vendor with the lowest quote (as per Govt. of India). The record of the equipment is maintained in the stock register. At the end of the financial year, the College carries out an Internal Financial Audit.

2) Procedures and policies for maintenance of equipment.

Physical verification of the laboratory equipment is done every year to ensure the maintenance of laboratories. The Computer Desktops, Generator, and water purifier System are maintained through the AMC with the respective companies.

3) Procedures and policies for right off equipment.

There is a right off committee to right off items (equipment) that are completely damaged and the items right off by this committee are recorded in the dead stock register. Also the entry of that item from the stock register is reduced.

4) Procedures and policies for the security of the College.

The security of the College is maintained by the watchman. A number of CCTV cameras have been installed to monitor the infrastructure.
