Sub.:- Clarification about the name of Institution (IIQA)

Respected Sir,

As per your mail received on 15/12/2023 about the clarifications (IIQA) and as per the point noted in the mail about the name of institution, we want to make it clear that the government gave us permission to start an Arts and Science College. But at that time, since there was no science junior college in the area so the Science Faculty was not started due to the lack of students, so only Arts Faculty is running in the college. But since the government has given permission to us as Arts & Science College and the name of the college is Arts & Science College.
